

# SENDING A MESSAGE HOME

For the past few years Birmingham Design Festival has been a celebration of the creativity of Birmingham and the wider design community.

In this competition we want you to join in the fun, celebrating our region, community and the pride we feel in it. The 'city of a 1000 trades' remains a creative powerhouse, and we want you to demonstrate that visually, celebrating the second city.

We'd like you to produce a postcard featuring a design that illustrates what Birmingham means to you. Your submission can be decorative, political, ornamental, personal, experimental, abstract, confrontational or simple – whatever you like.

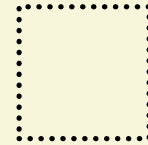

The design should be A6 in size.

You can design your postcard on your own paper, or use the template below:

Send your postcard to SIFA Fireside:

**48-52 Allcock Street, Birmingham B9 4DY**

for a chance to win some Birmingham Design goodies.
