

YES BAB BUNTING!

**PUNKS AND
CHANCERS.**

What you will need...

- a sewing machine or needle and thread
- a piece of ribbon or cord 3m long
- fabric paint or permanent markers
- dressmaking pins
- scraps of fabric - you can use old tea towels, worn out clothing, anything really!

What to do:

1. Cut out the paper template and use it to cut out 11 fabric triangles.
2. Arrange your triangles in a line (short edge at top) and pin them onto the ribbon.
3. Stitch the triangles onto the ribbon. Don't worry about it being too neat - it will look good however you do it!
4. Use fabric paint or your marker to add a message to your bunting - YES BAB
5. Tie up your wonderful bunting!

**BIG
BRUMMIE**

Tip:

If you don't have any spare fabric, you could make this from coloured paper or old magazines and glue them to your ribbon!
