

# WHAT DOES IT FEEL LIKE TO BE HOMELESS?

Try writing a poem or a short story from the perspective of someone who is homeless ...

1. Start by writing down some adjectives that describe how it might feel to be homeless.

2. Set the scene by imagining where you are. What does it look like? Sound like even smell like?

3. Do you want to tell a story? How did you come to be here? How will you survive? Do you want to send a message or tell people how you feel?
