

## DESIGN A POSTCARD

**SIFA**  
fireside

People experiencing homelessness are often overlooked and marginalised within our community, leaving them feeling forgotten and isolated.

Why not design a postcard to send to SIFA Fireside, so we can decorate the walls of our Support Centre with colourful pictures and messages of support for our clients.

Get creative and let our city inspire you... think of your favourite place in Birmingham, a Brummie saying, or something special to you and your classmates.

Send your postcard to SIFA Fireside:

**48-52 Allcock Street, Birmingham B9 4DY**

to share your messages with our clients.
