A Hundred Thousand Welcomes...

... to the new members of staff that have joined the SIFA Fireside team this month. This includes former volunteer Louise, who is now part of our Housing and Substance Misuse team, Melissa who joins us as a Peer Mentor and Kate who is taking on the role of Client Receptionist. Welcome aboard, everyone – it's exciting to have you here as part of our new service delivery!

Intro: The Housing and Substance Misuse Team

This new service provides a range of hands-on support around finances, health and wellbeing, volunteering or training opportunities and access to local communities. This is as well as supporting continued engagement with substance treatment and tenancy sustainment. More info? Just speak to Danny and the team.

Dates for your Diary

As well as Volunteers Week from the 3rd to the 9th and Men's Health Week from the 10th to the 16th, June is also Pride Month in the UK and all across the globe.

Art Attack!

Some of our art enthusiasts headed over to Midlands Art Centre (MAC) for a creative afternoon with tasty refreshments provided too.

Olivia, our Social Networks Project Worker, got in touch with the Community Engagement team at the MAC, who gave this group the exciting opportunity to explore the many exhibitions and facilities they have to offer for free.

Highlights of the visit included a viewing of "Leisure as Resistance" by the artist Tatiana Wolska, and of course, the art session, where creations included portraits, cartoons and even an origami crane!
