One Hundred Thousand Welcomes...

...to Stephen, who joined our Adult Lead Worker team and Gloria, who joined our HIT/EANS Assessment Worker service! Do give them a warm welcome to the SIFA Fireside community!

Dates for your Diary

April is the month of inclusivity, with Autism Acceptance Month raising awareness, fostering acceptance, and looking towards creating a society where autistic people are supported, understood, and empowered and Deaf History Month promoting Deaf culture and language whilst advocating for the rights and inclusion of Deaf people.

This National Pet Month, we'd also like to give a mention to the most adorable pets and service animals who accompany clients to the support centre!

Geese Theatre

We're not short on talent here at SIFA Fireside! Mockingbird recently hosted Geese Theatre's latest production, "Through the Looking Mask. It featured original music, presented a variety of experiences navigating mental health services in the United Kingdom, with the words of SIFA Fireside clients being unfiltered and directly from the heart. They also went on to perform their first piece of live theatre at The Crescent Theatre!

We're so grateful to Mockingbird Cinema for hosting the screening, The Crescent Theatre for the stage, SIFA Fireside's clients, the recovery team and especially, Geese Theatre Company for their incredible work!
